“Poetry giveaway”

Please find attached the poems in word documents as well as pictures of the recipients.

Thanks for choosing me for my Good Deeds

project "Poems Giveaway "

I have chosen the students of Eden high school in Santa Elena Cayo Belize as the main recipients.

The poems were very inspirational for them as I also recited for them.

I was very thankful for those who were willing to have their pictures taken as they received their free poems.

It gives me great satisfaction for me to be able to give away the products of my talent and at the same time promoting my up-coming poetry book.

Thank you once again for having chosen me as

a participant for your Good Deeds Project.

I am at all times available for any future projects.

Sincerely,
Jim Goodchild Arnold.
